

SPUS 2023 Istanbul Transfer Information

To reach Swissotel Bosphorus Istanbul from Istanbul Airport, you can easily opt for a taxi, which should cost you approximately 900-1000 Turkish Lira (₺), equivalent to about 30 Euros. Please note that transportation prices in Istanbul may vary, but we expect this rate to remain stable by October.

If you prefer to use Uber, it's important to be aware that not all taxi drivers in Istanbul speak English. Additionally, Uber drivers can only pick up passengers from the departures area, which might be a bit challenging at the vast new Istanbul airport, where it takes some time to navigate between floors and gates. So we do not recommend it.

For a more comfortable and guaranteed option, we can arrange a transfer pick-up for you, albeit at a slightly higher cost than a taxi. To book the transfer service, kindly send an email to Yasemin at yasemin.kumascioglu@zoomevent.com.tr. Please provide all the necessary details about your arrival, including the airline, flight number, departure point, local arrival time, and your mobile phone number (for easy communication with the driver). We recommend making your reservation at least one week in advance of your arrival. She will charge it to your credit cards that you have already provided us with. Don't forget your return transfer!
